

Floor Covering Adhesives Limited Warranty

TEC Specialty Products LLC, subject to the terms and conditions set forth below, warrants that its floor covering installation product or system (as defined below) will be free from defects in material or workmanship and will not fail under normal usage for the applicable warranty period indicated in the warranty length table attached to this warranty ("Warranty Length Table") when used within its shelf life of one (1) year and in accordance with: (1) technical data sheets and written instructions, (2) applicable building codes and regulations, and (3) standard industry practices.
